28)

29 Plaintiff, United States of America, by and through Michael C. Ormsby, United
30 States Attorney for the Eastern District of Washington, and Stephanie Van Marter,
31 Assistant United States Attorney for the Eastern District of Washington, submits this

1 motion for an extension of time to filed its Rule 16 Expert Summaries in the above
2 captioned case.

3 The Court has filed several Orders in the above referenced case setting trial in
4 this matter on April 17, 2017, (*See* ECF Nos. 101, 258, 308) The Orders state that the
5 United States Rule 16 Expert Summaries are to be produced to the parties and emailed
6 to the Court on January 27, 2017.

7 The United States has disclosed several lab reports to counsel in various
8 disclosures. At this time, the United States has not yet been provided the CVs and
9 Rule 16 materials needed to complete the expert summaries as required by the Court.

10 After some conversation, the United States anticipates that defense will most
11 likely be filing motions to continue the current trial date. The United States has sent
12 an email to all counsel regarding this request for extension, but because of the number
13 of counsel in this case, cannot state whether any has an objection.

14 The United States requests an extension of time to file its Rule 16 Expert
15 Summaries until two weeks before the currently set final pretrial conference of March
16 28, 2017, that being March 14, 2017.

17 DATED January 27, 2017.
